3. Liaison with the Bureau of the Budget. Assignment

ıt

Problem: On 3 January Reber proposed to Mr. Jackson that he be permitted to have informal liaison with the Bureau of the

Budget because of its interest in the character and effectiveness of interagency relationships generally.

Status: Mr. Jackson was dubious and asked Reber to prepare a memorandum giving cause why this was a good idea.

4. Coordination of O/RR Production With Other Agencies

Problem: To keep current with O/RR interagency problems.

Status: Nothing has been done except through the discussion with

Max Millikan on Psycho.

25X1A

5. IOPs and DCIDs. Assignment

Problem: To examine the function and validity of IOPs and DCIDs

Status: Nothing but talk so far. Believe there should be a

general debate on this in O/IC on these questions.

25X1A

6. NIE Distribution. Assignment

Problem: As suggested by Buford of State one aspect of the problem is that of regulating the distribution of NTEs in the field. It has been suggested that such a distribution be determined in each case by the IAC and that single copies should serve

in each case by the IAC and that single copies should serve the needs of the entire mission. The other aspect of the problem concerns the distribution of NIEs within the government so as to keep top men in all related government depart-

ments and agencies informed.

Approved For Release 2000/08/26 : CIA-RDP61S00750A000700050045-9

Status:

Currently NIEs I believe are going to the agency heads most related to national security. A question is should there be others? Nothing has been done on the field distribution.

7. Suggested Briefing of IAC on CIA Reorganization. Assignment Reber

Problem: To get a briefing of IAC on O/RR and O/CI so that they

will know what we are up to.

Status: Millikan has indicated a willingness to do that on

Thursday, 8 February. Douglass has begged off for awhile.
